An Exciting Change

ShipCritical's mission has always been providing the right logistical solutions for the most sensitive freight at a better price, and the new site offers that same logical approach to potential users. We also offer some very high value services On Board Courier Airfreight & Charter aircraft services. These services distinguish ShipCritical as the people to contact when there are few companies that can make the most difficult shipments happen. Carefully laying out the type of shipping they specialize in from the first moment the site loads, it's easy to see why this company is the right choice.

"We wanted our new site to help brand ShipCritical as the best way to accomplish transportation of critical freight quickly and easily, and that simple interface does it," said Joe Pavone – President and Founder. With just a few menu options so users can learn more about us and what we do, it's easy to figure out how to reach us for a fast quote." Our blog offers tips on shipping more effectively.

Commitment to Quality

ShipCritical's distinguishing factor is their ongoing commitment to quality shipping, even in diverse settings, and the new site demonstrates that just as clearly by making it easy for customers to learn more about the available services and contact the company to set up a custom shipping program.

"If it's time to evaluate your current logistics program, it's time to contact ShipCritical via our new site. We're ready to help more customers in the Trade Show, High value products, Medical Education & Hospital & Healthcare fields reach their goals thanks to our effective & economical shipping options," said Joe.

Take a moment to browse the new ShipCritical site to get a sense of the big changes that are certain to be on the horizon for this company with the new site unveiled.
